

Rope Challenge 2024

Introduction / Thursday (26 September)

In general, we have 4 rotations of 90-minute evolutions on day one and 3 rotations of 90-minute evolutions on day two. There is a 60-minute reassess between each evolution to allow the reset of the scenarios and team relocation to next location.

12 Teams will rotate through all of the evolutions in pairs over the two challenge days.

Teams will arrive at the Historic Dockyard at 0700. On arrival the Teams will be directed to the holding area in museum building next to Boathouse 4. All 12 teams will have an area allocated to them in this building to allow preparation maintenance and equipment checks.

Team Leader Briefing

A mandatory Team Leader briefing will be held **on Thursday at 1800** in the Museum Building/Rope Team Holding area.

This should be attended by Team Leaders only.
