

UKRO Trustee – Corporate Services

United Kingdom Rescue Organisation (UKRO) are looking to extend their Board of Trustees with the appointment of an additional Trustee. Applicants must be from the emergency sector or associated organisations.

The role is on a voluntary basis. Applicants must have the support of their Chief Fire Officer or their Chief Executive and be supported financially and with time by their employer to undertake the role.

The areas of work would include the following:

- **Lead on the Corporate Services of UKRO and ensure there is a strategy for effective succession planning across all roles within the charity.**
- **Provide support and critique to existing UKRO Board of Trustees/directors.**
- **Working collaboratively with UKRO partners and between directorates.**
- **Support the UKRO Business Plan, including vision & mission.**
- **Promote and encourage cultural improvements, taking into account FRS sector reviews etc.**
- **Assist with consideration of UKRO budget to contain cost, deliver efficiencies and maximise in regards value for money (Balance between Economy, Effectiveness and Efficiency).**
- **Drive organisational improvement, linking to external and internal drivers.**

For over 30 years, the UKRO has, and continues to be, at the forefront of development and innovation in the field of professional rescue, ensuring that rescue and trauma professionals both in the UK and internationally, are able to adapt and respond to existing and emerging risks. During this time, the UKRO has acquired a wealth of knowledge and expertise.

The UKRO is formed and run by practitioners predominantly from within the Fire and Rescue and Medical sectors with a passion for advancing professional rescue. Both serving and recently retired rescue and trauma professionals, the dedicated UKRO team of volunteers come from across the UK, amassing their knowledge, skills and experience.

Supported by the UKRO Board of Trustees, the UKRO ensures that it remains at the cutting edge of rescue developments and that its services and products are as applicable to managing organisational risks, as they are to rescue and trauma professionals putting them into practice at an incident scene.

Please see the attached Job Description and Person Specification for further details.

Positive Action Statement

Based on its current volunteer profile UKRO has identified that there is under-representation of individuals of Black, Asian and ethnic minority (BAME) backgrounds and of women across the charity as a whole and particularly in leadership roles including trustees. Applications from these groups for this role are particularly welcome.

The closing date for registering an interest is Wednesday 30th April 2025.
